EVIL BELLFIELD GETS THE NEEDLE

EVIL serial killer Levi Bellfield is among lags offered KNITTING classes at a high-security prison. Inmates at HMP Frankland in County Durham have been armed with needles and yarn to make cushions, quilts, aprons, bags and purses. Holiday hike Brits killed by falling rocks

TWO members of a British family have died and two others are critically injured after a landslide while they were hiking on holiday in Australia.

The man, 49, and his nine-year-old son were killed by falling rocks in the Blue Mountains near Sydney on Monday.

A woman, 50, and her son, 14, were taken to hospital with serious head and abdominal injuries.

Her daughter, 15, who is thought to have raised the alarm, has been treated for shock.

The family had set out for a hike at popular trekking spot Wentworth Falls.

"Unfortunately there's been a landslide while they've been bushwalking. It's quite a tragic scene," said Supt John Nelson from New South Wales Police.

The woman and teenage boy needed to be sedated and intubated before being winched to safety and flown to hospital, paramedics said.

They have both undergone surgery.

The teenage girl was also taken to hospital and was "extremely distressed", according to authorities.

Details of the victims, including where they are from in the UK, have yet to be released.

Huge drop in new car sales

THE UK's automotive industry suffered its worst March for new car sales since 1998, according to new figures.

Just 243,479 new cars were registered last month, the Society of Motor Manufacturers and Traders (SMMT) said.

That is down 14.3% compared with March 2021.

It is the lowest March total since 1998, which was prior to the introduction of new number plates every March and September.

FURY GROWS AT C4 SELLOFF

CHANNEL 4 stars Matt Lucas and Kirstie Allsopp are among the figures who have raised concerns about the government's plan to privatise the broadcaster.

Culture Secretary Nadine Dorries tweeted that "government ownership is holding Channel 4 back".

She said selling it to a private owner would give it "the tools and freedom to flourish and thrive as a public

service broadcaster long into the future".

But *Location, Location*, *Location* host Allsopp described her argument as "a load of utter twaddle".

Great British Bake Off co-host Lucas tweeted a link to a petition that claims privatisation would "seriously undermine programming aimed at all the communities, across generations, that make up this country".

Channel 4 is currently publicly-owned but funded by adverts. It commissions all its programmes from independent production companies rather than making them itself.

Privatisation would see it sold to a private company.

In 1994, Channel 4 broke boundaries when it screened a lesbian kiss between Anna Friel and Nicola Stephenson during the primetime soap *Brookside*.

Zelensky: We will find even worse atrocities

UKRAINIAN President Volodymyr Zelensky has warned the worst atrocities committed by Russian troops leaving the north of the country are yet to be discovered.

Mr Zelensky (above) said the town of Borodyanka may have suffered more than others.

Horrific images of bodies in streets in towns like Bucha have generated worldwide shock and condemnation.

Russia denies killing civilians and, without evidence, says Ukraine staged the scenes.

But the images prompted US President Joe Biden to call for his Russian counterpart Vladimir Putin to be tried for war crimes.

His intervention follows the publication of new satellite photos by earth observation company Maxar, which show bodies lining Bucha's streets during its occupation by Russian forces.

The Ukrainian government started a war crimes investigation after it said the bodies of 410 civilians had been found in areas around Kyiv.

Some had their hands tied and had apparently been shot at close range.

Klitschko: End 'blood' money

THE mayor of Ukraine's capital Kyiv has asked European politicians to cut off all commercial ties with Moscow, saying payments to Russia are covered in "blood" and help to fund its army.

"Every euro, every cent you receive from or send to Russia has blood. It is bloody money and the blood of this money is Ukrainian blood, the blood of Ukrainian people," Vitali Klitschko said.

Klitschko also described the "genocide of Ukrainians" following a visit to Kyiv's satellite towns, like Bucha.

He said he saw dead civilians, including an old woman and a car with a white flag and the letters "children" on the outside that had been shot at and had blood inside.

Klitschko was speaking via video link to a mayors' conference in Geneva.

Jaroslav Kaczynski said: "Poland would be pleased if the Americans increased their presence in Europe from the current 100,000 soldiers up to 150,000 in the future due to Russia's increasing aggressiveness. If the Americans

asked us to store US nuclear weapons in Poland, we would be open to that.

"It would significantly increase deterrence towards Moscow."

"Of these, 75,000 soldiers should be stationed on the eastern flank, ie, on the border with Russia, 50,000 soldiers in the Baltic states and Poland."

"That would send a clear signal to Moscow: the Nato leadership is now also present in the east. "With or without

nukes, Poland is wanting to see a large operational Nato command in Poland."

If Poland decides to take the responsibility of hosting US nuclear warheads, it would be a significant escalation in the new Cold War.

Tensions

Putin would likely see the move as a provocative one.

Kremlin spokesman Dmitry Peskov said such a move would lead

to heightened tensions.

The invasion of Ukraine has fuelled security fears in states on NATO's eastern flank.

The alliance has responded by increasing its presence in the region, announcing four more multinational battle groups in Bulgaria, Hungary, Romania and Slovakia.

There were roughly 80,000 US troops in Europe before Russian troops moved into Ukraine.

MUSICIAN ADMITS STUDENT MURDER

A MUSICIAN has pleaded guilty to the murder of 18-year-old student Bobbi-Anne McLeod.

Cody Ackland, 24, entered the plea during a plea and trial preparation hearing at Plymouth Crown Court on Tuesday.

Ackland spoke only to confirm his name and date of birth and admit murdering the teenager

on a date between November 19 and 23.

Judge Robert Linford adjourned sentencing until May 19 and remanded Ackland, of Radcliffe Close, Southway, Plymouth, into custody.

The judge told him: "You have pleaded guilty to murder, for which the sentence is fixed by law. The sentence will be a

sentence of imprisonment for life.

Miss McLeod was last seen waiting at a bus stop in Plymouth on the evening of November 20 last year, as she set off to meet friends.

Her body was found three days later near the beach at Bovisand, about seven miles from where she lived.

"I've never taken such a fast piss in my whole life," Doja Cat, 26, said between heaving breaths after sprinting to the stage in heels.

The thought of bladderwater streaming from Ms Cat's neat mimsy drove fans wild on Twitter.

And several begged the little popster to urinate in their MOUTHS!

The Kid posted: "Oh my lord Doja is so fine. Pls piss in my mouth."

Walker: Leaving BBC Breakfast 'really difficult'

BBC Breakfast host Dan Walker said his decision to leave the programme and join Channel 5 was "really difficult" but his new remit will allow him to make programmes "outside of news".

The TV presenter, 45, presented *Football Focus* from 2009 to 2021 and has been a fixture on the corporation's flagship breakfast show since 2016.

He will be taking over as the presenter of 5 News from Sian Williams.

Speaking to his co-host Sally Nugent, Walker (above) said: "This has been a really difficult decision for me."

"But I think sometimes opportunities come along and you have to grab them, don't you?"

FOR a movie based on a kiddies' doll, the new Barbie film has some VERY grown up stars!

Sex Education star Emma Mackey has landed an A-list role alongside minge-out stunna Margot Robbie.

Insiders say Emma, 26, who played as Maeve Wiley in the Netflix drama, will start filming on the blockbuster in the next few weeks.

It is currently unknown

By **SUZIE SHELTON**
neil@sundaysport.co.uk

what part Emma will play, while it has already been revealed that Margot, 31, will play Barbie and Ryan Gosling, 41, will be Ken.

A source said: "Emma is one of the brightest stars to come out of *Sex Education*. The series was a breakthrough into the industry for her, and as Maeve she made waves."

"Emma's name has become

hot property and everyone wants a piece of her. She was Jacqueline De Bellefort in the new film version of *Death On The Nile* and plays Emily Bronte in the biopic about the writer's life out this year.

Oscar

"Emma's role is being closely guarded but it's a big part and will really cement her evolution from small-screen actress to big-screen star."

The live-action film is being directed by Oscar-nominated

director Greta Gerwig. While details are yet to be released, Margot teased: "We like the things that feel a little left of centre. Something like *Barbie* where people have an idea of, 'Oh, Margot is playing Barbie, I know what that is.'"

"But our goal is to be like whatever you're thinking, we're giving you something totally different — the thing you didn't know you wanted."

Well, here are the two babes as you certainly WON'T see them in the Barbie film!

Brits watch more porn than anyone else

BRITS watch more porn than anywhere else in the world.

Researchers analysed Google searches over the past year and found around 575,000 searches for X-rated websites in the UK every single day.

That works out at just over 4m searches every week, or 16m searches each month.

Over the course of a

year, that means there are just under 220m searches for blue movies by Brits.

With an adult population of 55m, that works out at four online searches for blue movies in the past year for every single adult in Britain.

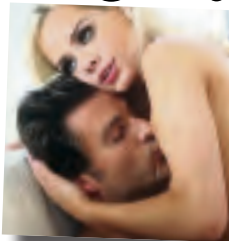

The study, by

medical experts From Mars, found that Brits were light years ahead of the rest of the world's 194 countries.

The list of least likely countries to watch porn was topped by Chile, where there are just 18,000 daily searches for dirty videos online, with

Columbia in second with 23,000 searches and Argentina in third with 26,000 searches.

A spokesman for From Mars, which released its Global Sex Index study yesterday, said: "The UK has been found to be the most sex obsessed country in the world."

Knitting lessons laid on for evil killer Bellfield

By COLIN HURST news@sundaysport.co.uk

EVIL serial killer Levi Bellfield is among lags offered KNITTING classes at the high-security jail where he's locked up.

Inmates at HMP Frankland in County Durham have armed themselves with needles and thread to make cushions, quilts, aprons, bags and purses.

HMP Frankland is home to some of Britain's most evil murderers and rapists.

Those housed in the max secure jail also include child murderer Ian Huntley, terrorist murderer Michael Adebolajo and serial rapist Delroy Grant, known as the Night-Stalker.

The knitting, needlepoint, embroidery and crocheting classes – put on by charity workers at Fine Cell Work – began at the end of 2021.

The news was revealed in a report by inspectors from the Independent Monitoring Board (IMB) last week.

Its report states the knitting classes were among the 'soft skills' on offer at the jail, adding: "A range of activities is being reintroduced since COVID."

Pride

"For example, the charity Fine Cell Work returned towards the end of the year.

"Prisoners have produced some excellent items of needlework and take a pride in what they do."

Among celebs taking up knitting include Hollywood stars Russell Crowe, Ryan Gosling, Ewan McGregor and George Clooney – as well as diving supremo Tom Daley.

Chiefs at Fine Cell Work – which sell items online, with prisoners getting a cut of the sale – say its work has helped inmates across the UK to learn a new skill and earn some money.

A spokesman for Fine Cell Work said classes help 'enable prisoners to build fulfilling and crime-free lives', adding: "We do this by training them in high-quality, creative needlework in

the long hours spent in their cells to foster hope, discipline and self-esteem.

"Our aim is to allow them to finish their sentences with work skills, money earned and saved, and the self-belief to not re-offend."

One inmate, called Andrew, said: "Fine Cell Work has impacted my life in prison beyond measure."

"It has been a financial crutch – sending my family money and gifts would be impossible without earnings from my stitching."

"I spend my time productively making something that means a difference for good in the world and I take pride in completing projects."

A prison source said

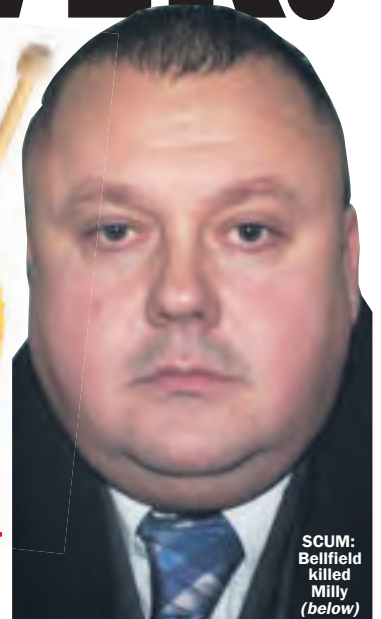

that anything which kept inmates occupied was 'great' for all concerned.

He said: "It's difficult to imagine some of these prisoners sitting in their cell knitting, but if it keeps them calm and quiet then it's good for all concerned."

Bellfield was found guilty in 2008 of the murders of Marsha McDonnell and Amelie Delagrang and the attempted murder of Kate Sheedy, and given a full-life jail term.

In 2011, Bellfield was further found guilty of the murder of Milly Dowler and given a second full-life sentence.

The twisted beast is also reputed to have sexually violated a RABBIT while he was at school.

ULRIKA Jonsson has admitted she wouldn't rule out having a threesome with a pair of strangers.

The 54-year-old former *Gladiators* babe has said that she would "never say never" to a threeway.

Tuning into *The Great Sex Experiment* last Friday, Ulrika has opened up about her thoughts on the show.

The new Channel 4 programme sees couples head to a lavish retreat in order to potentially add a third person into their sexual endeavours.

Ulrika has said that if she was in a healthy relationship, the thought of a third person would be "unbearable".

She didn't completely rule out a three-way romp though and added: "For this old bird, I think I'd just stick to twin in a relationship. Sometimes three is just a messy, emotional, damaging crowd."

Ulrika then dropped a bombshell when she said: "Having said that, never say never."

Carol Maltesi, 26, who worked under the stage name Charlotte Angie, was killed in January but only reported missing in March when she failed to turn up at a lap-dancing club.

A friend identified as Davide Fontana, 43, chopped the body of the performer, who starred in bum-sex videos, into pieces and stored them in his freezer.

It's believed Fontana and Carol may have been in a relationship.

A fan of the victim's films later identified her from the tattoos.

Fontana was arrested on charges of homicide, dismemberment and concealing a corpse.

The corpse was decked out in a hoodie, a blinged-out watch and a crown.

A source who attended the macabre public viewing, entitled "The Last Show", said there was a \$40 charge to enter the venue.

ENGLISH MISS SUCKED OFF TEEN IN HER CAR

SCANDAL SCHOOL: Langham Creek High

ARRESTED: Suggs sent explicit texts, photos and videos

A RANDY English teacher sucked on a teen's iron-hard cock until he gushed torrents of scalding SPUNK into her gulping mouth, cops say.

Arrest after sex act in cul-de-sac

Sarah Suggs, 47, a former teacher at Langham Creek High School in Houston, Texas, is charged with sexual assault of a child under 17 years of age.

According to the charging document, the incident happened on December 10 last year inside a vehicle parked near the 15-year-old victim's home.

Three days later, the student's parents met with administrators of Langham Creek High School to inform them of disturbing information

By SUZIE SHELDON
news@sundaysport.co.uk

they had found on their son's mobile phone.

The boy had text messages with someone identified as S. Suggs.

After cross-referencing the messages, the teen's mother discovered that S. Suggs was Sarah Suggs, whom she knew to be her son's English teacher at school.

The victim admitted to his mother that he had sexual contact with Suggs inside her vehicle on the night of December 10 in a cul-

de-sac down the street from his house.

He also said that they kissed each other, he had hickeys on his neck from Suggs and he received oral sex from her as well.

The teen's mother had screenshots of explicit texts from Suggs.

Photos and videos were sent and received between the two through Snapchat, according to records.

Suggs did not allow the victim to save the images and said she could "lose everything" if the relationship was known.

New 'envirocows' won't fart as much

A GENETICS firm plans to create less-farty cows... meaning fewer climate-heating emissions.

Genus Plc's breeding programme is intended to create "envirocows" with less-gaseous digestive systems.

The firm has launched a genetic test to identify the least-gassy female calves.

The dairy industry accounts for about three per cent of the UK's greenhouse gas emissions, with methane from cows making up about half that.

Methane is about 25 times as harmful to the environment as carbon dioxide.

It is expected to take at least three years for the programme to begin to cut emissions.

THE G-SPOT? NO, IT'S JUST A MYTH!

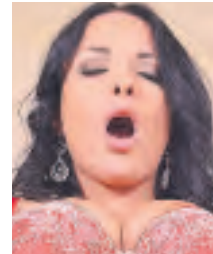

THE G-spot "orgasm button" is a MYTH, boffins have concluded!

Generations of humans have been fooled by the commonly accepted G-spot theory, according to new research released by sexual health experts.

They propose renaming the elusive erogenous designation, which they claim has "misled" people to think there is an automatic orgasm button.

Instead, a new editorial, co-signed by the top editors of the *Sexual Medicine Reviews* journal, suggests we refer to it as a G-zone – part of the five "erotic zones" inside the vagina.

The term "G-spot" was coined in honour of mid-20th-century German gynecologist Ernst Gräfenberg, who was the first to describe the orgasmically volatile region, located a few inches up the "anterior wall of the vagina, along the course of the urethra".

'Murder' author in the dock for killing husband

A ROMANCE novelist who once penned an essay called *How to Murder Your Husband* has gone on trial for shooting dead her spouse for a £1 million life insurance payout.

Nancy Crampton-Brophy, now 71, has pleaded not guilty to gunning down her husband of 25 years, Daniel Brophy, in Oregon, in June 2018.

Daniel was found with gunshot wounds to his back and chest.

Crampton-Brophy was arrested months later after detectives said she had been in the vicinity of the crime scene. Days after the shooting, Crampton-Brophy allegedly asked cops to provide her with a letter saying she wasn't a suspect in her husband's murder so she could collect on his life insurance policy.

Authorities later learned Crampton-Brophy stood to gain £1 million from her husband's death.

WE have no idea how or why they decide these things but the world of fashion has decided that this year's "in" colour is pink.

Now, if we could, we would use that as an excuse to print five pages of lovely ladies showing us their pink bits.

Alas, rules governing what can be shown in a national newspaper forbid us from doing that.

So we've pulled together dozens of snaps of your topless favourites.

All wearing pink outfits. While showing off their pert pink nipples, of course!

Fashion expert Tarquin LeFrouFrou panted: "If you want to get seen this season, you really **MUST** wear pink."

"My very good friend Lionel loves wearing pink and it really shows off his pert little botty."

"Ooh, get me – naughty, naughty!"

BOOZE-loving Timothy Evans meticulously plotted murder for weeks – to the point that he even wrote a ‘to do’ list before strangling his girlfriend to death.

And item number four on that twisted list was a big night out – to celebrate her death...

I've killed her...now LET'S PARTY!

MANY murderers refuse to take responsibility for their twisted actions.

Some file appeal after appeal in the courts as they seek to dodge their punishment.

But not Timothy Nelson Evans.

In 2010 the 60-year-old planned and executed the slaying of his girlfriend Wenda Holling, 70, a woman he'd lived with for two years and whom he'd once loved dearly. He waited

until she was watching TV before pouncing on her from behind – at first trying to smother her with a pillow before abandoning that idea and throttling her rigid with his bare hands.

Poor Wenda fought for her life, clawing at Evans as her lungs collapsed and her life ebbed away. And what did Evans do immediately afterwards?

Took a shower, grabbed a beer

and went out drinking with his best friend.

As Evans himself put it: “I followed through with the plan – and I planned party time, too.”

Now Evans, from Kiln, Mississippi, awaits execution by the state.

He's also fully aware of what he is – a monster.

In an interview with a local newspaper shortly before his sentence was passed in August 2013, he admitted: “This may sound strange but I really think that I deserve to go to Death Row.

is, until Wenda went missing on January 5, 2010.

Evans told authorities he thought she had gone to Florida to visit relatives.

But when she didn't show up, a full-scale hunt was launched by the Hancock County Sheriff's Department.

Eleven days into the search Wenda's friends and family were distraught.

Reverend Gary Faith said at the time: “She's a sweet lady. Pretty much everybody loves her.”

“She's involved when we have dinners, she's done to her and what I did to her family.”

“I think about it every day.”

Evans had moved into Wenda's home in the spring of 2009 after a two-year romance.

Alcoholic

While their early relationship had been rocky, both believed they could make a go of it.

Wenda was a regular churchgoing mother of two, an upstanding citizen in a community that adored her and revered her.

In contrast, Evans was an alcoholic carpet-fitter with a long criminal record for driving while under the influence.

But, despite also being 10 years younger than Wenda, they became a couple. That

VICTIM: Wenda Holling was strangled

uncover several pieces of what we may consider evidence.

“We won't know the significance of that evidence until it is analysed by the Mississippi Crime Lab.”

Then, on January 26, 2010, a body was found in woods just off a highway.

By this point Evans had gone on the run, hot-footing it to Florida.

When the law caught up with him two weeks

later, he denied any wrongdoing.

In a ludicrous attempt to hoodwink police officers, he claimed Wenda had come at him with a knife and had actually fallen in the ensuing struggle and hit her neck on a table.

He hadn't killed her, he argued, but he had put her body in the boot of his car and dumped it on wasteland.

Soon enough, though, the whole sorry saga

IN FRIDAY'S

MONSTER: Killer Evans admitted he deserves to be on Death Row

realised he needed to get rid of the body that was slowly decomposing at his home.

He went back and began by changing Wenda's blouse – the one she was wearing was covered in blood.

He put it in the bin, along with her glasses.

Court documents state: "The next morning, Evans placed Holling's body in the boot of her car, picked up Thomas and drove to Harrison County.

"While driving he told Thomas he had run over a skunk.

"He asked several times if Thomas could smell it.

Body

"He dropped Thomas off and then stopped at a gas station.

"He used cash to buy beer, but he used Holling's credit card to pay for gas.

"Evans then drove to a rural area where he dumped Holling's body in the woods about 10 yards from the side of the road.

"The same day, Evans tried to use Holling's credit card at a Walmart but it was declined."

When Evans's trial got under way, despite a series of confessions, he decided to plead not guilty.

His lawyers tried to

argue he was guilty of manslaughter only, owing to the fact he'd been so drunk.

But neither the jury – nor Evans himself – truly believed that was the case.

Forensic pathologist Dr Paul McGarry went on to describe how Wenda had taken many agonising minutes to die, adding: "She had extensive injuries.

"It took a lot of force from a strong hand to strangle her."

Assistant District Attorney Matthew Burrell also gave an emotional closing argument, saying: "The defendant showed no value for human life. Being drunk was no excuse.

"He could have taken anything from that house, but he took Mrs Holling's life.

"He celebrated after he killed her.

"He just took a human life and then he celebrated."

Having been found guilty, Evans was handed a death sentence at Hancock Co Circuit Court by Judge Lisa Dodson.

District Attorney Joel Smith said: "This will not bring back Mrs Holling but it will bring justice to her family.

"It has been a tough trial and there were a lot

of painful moments that the family had to re-live.

"It was satisfying to see the relief on their faces."

Evans appeared to show genuine remorse – addressing Wenda's family, he said: "Every day since this has happened I have felt remorse.

"I loved her at one time and I am truly sorry."

After the verdict, Wenda's daughter, Melissa Brimmer, said: "Although we are relieved, we find little comfort because this does not bring her back.

"Wenda was a mother, a sister, a grandmother and a friend. She is dearly missed and can now rest in the peace she deserves with the conviction of her killer."

Birthday

Wenda's son, Jon Compton, admits he's still struggling to come to terms with what has happened.

In a recent interview, he said: "She always had a smile on her face. She was just a great lady.

"They found Evans on my birthday. It was one of the best birthday gifts I could ever get.

"Now I know the person that took my mother's life will never get out of jail. That's what I call justice."

PLUMBER STABBED TO DEATH AFTER TINDER 3-SOME

TWO women and three men have been committed to stand trial over the alleged murder of a plumber who was stabbed to death after a cocaine-fuelled Tinder threesome went horribly wrong.

Luke Lembryk died from a stab wound to the heart after allegedly being attacked by three men at his mother's Condell Park home in western Sydney, Australia, in December 2019.

The 29-year-old (above) collapsed on the floor in front of his mother and said 'I'm going to die, mum, I'm going to die' before passing away.

It is alleged that Mr Lembryk had matched on Tinder with Lisa Anne Price in August 2019 and the two had started texting.

Cocaine

Price allegedly sent him a text with a photo of herself and another woman she said she planned to bring along to his mother's home.

Police allege all three did lines of cocaine at the property.

While the trio were in his bedroom drinking and chatting, Mr Lembryk showed off a stack of \$50 notes, reportedly amounting to \$15,000, and a blazer which also had cash spilling from the pocket.

Police allege this gave Price the idea to 'do this guy over' and that three men then raided the property in the early hours of December 7 and

stabbed him to death.

Police were called to the unit at 2.45am and found Mr Lembryk with multiple stab wounds.

In the NSW Supreme Court, Justice Robert Hulme ordered Joseph Nehme, Bilal Rahim and Vilami Taufahema to stand trial for alleged murder and two women (above) to be tried on other charges.

Price, 35, will go to trial charged with one count each of being an accessory before the fact to murder, aggravated break and enter commit serious indictable offence in company, and aggravated break and enter dwelling in company intending to steal.

Sherene Rizk, 46, who is charged with being an accessory before the fact of murder, is the only one of the five defendants on bail.

blurted out of Evans's mouth in a confession.

Court records state: "Evans revealed that, after Holling had driven him home that afternoon, he had decided to steal her credit card from her purse but she had caught him in the act.

"He and Holling began arguing and he decided to kill her.

Shower

"As Holling was sitting in her living room chair, he went and got a pillow and put it over her head.

"He said, 'When that didn't work, I just strangled her.

"Then I picked her up and put her up on her bed and I got the credit card. I took a shower and I just went out like everything was fine."

Evans took Holling's

credit card and picked up his friend, Joe Thomas, in Holling's car around 5pm, saying: "Come on, let's go party."

Evans also revealed how he'd been plotting Wenda's death since December 20, setting up a precise time frame.

Number four on his list was 'planned party time'.

Speaking about how his original smothering plan had failed, Evans explained: "The pillow wasn't working, so I just used my hands. I had already planned it so I might as well follow it through.

"I just lost control of my thoughts. I lost control of what I was doing and what I was thinking."

After getting sozzled with his pal, Evans

A WESOME Alexa Grace has a secret passion – she loves to have sex outdoors, preferably when there's a risk of being caught!

The 32C Leicester babe said: "I remember once an old boyfriend of mine and I went for a Sunday afternoon stroll along a canal bank.

"It was a really hot summer's day and we were both soon feeling really horny.

"I took his hand and led him into some bushes near the canal bank and we started to undress each other.

"I could feel his cock stiffening with excitement and I was ready to take it all. I was that moist.

"I decided I'd tease him by giving him a blowjob first.

"He was nearly ready to explode when a party boat with a bunch of lads drinking beer went past and they caught sight of us.

"The cheers could be heard for miles!

"And we didn't disappoint them as we carried on and I ended up with my face covered in my fella's juice."

JUSTIN DUNN'S ROOM 101

WHAT'S ANNOYING HIM THIS WEEK?

Nothing's off limits to these Britain-hating tossers

I WONDER sometimes if do-gooders were put on this earth with the sole aim of driving me round the twist.

There is not a single issue that they cannot fail to stub their sticky fingers into.

Someone arrested for doing something horrible?

They'll immediately leap to their defence.

Government they didn't vote for done something they didn't like?

Demand an overwhelmingly democratically-elected executive be overthrown and replaced by mad people they prefer instead.

What on earth is the problem with these people?

Are they so consumed by their utter hatred for this country that they want to see it destroyed?

And, even worse, preferably from within?

They will whine, incessantly, about ANYTHING.

Brexit has long been in the rear-view mirror, but they're still banging on about it like a broken record.

Deranged

Their cohorts have overtaken social media, despite none of them realising that it's not actually the real world.

Corbyn isn't even a member of the parliamentary Labour party any more, but you'd think from the do-goodery propaganda that, really, he should be running the country.

Or maybe even the entire world.

They really are that deranged.

One minute they're hugging JK Rowling for being amazing and talented and successful and for being not just a brilliant writer but a fabulously generous philanthropist.

But the next they're piling on to her on Twitter to wrongly denounce her as a "transphobe" for the mortal crime of, er, sticking up for real women.

Women who have fought for a century to just about achieve a level of equality that the do-gooders now want to wrench away from them.

Here at Sport Towers, we are quite evidently a huge supporter of the fairer sex.

And we have no problem with those

in, or considering, transition too.

It's surely a hard enough time without outsiders constantly banging on about it.

Especially when they know bugger all about it personally.

But the do-gooders don't give a toss about that, simply because a new thing to rant about on Twitter means more of it being all about them, them, and them again.

Just last week, the utterly hateful *Guardian* newspaper commemorated the 40th anniversary of the Falkland Islands war in the most despicable fashion possible.

They referred in their headline to the islands as "the Malvinas" – which is what Argentina prefers to call them.

Even though that's not their name. And no matter how many people died during the 74-day conflict to make sure it never was.

(For the record, *Guardian* twats, it was 255 British military personnel, three islanders and 649 Argentine soldiers.)

The ugly truth is, nothing is off-limits to these absolute British-hating wankers.

Not those who laid down their lives for their country.

Not for a government making an actual difference in Ukraine – unlike, say, Russian gas-gobbling France and Germany.

No – it's all about the whinge, the complaint, the whine, the cry, the whataboutery.

But it's NEVER about offering solutions, though, is it?

Court no-show bus thief in 100mph chase

A MAN led police on a 100mph car chase in a stolen vehicle... after skipping his sentencing for stealing a BUS.

Brandon Brose, 31, was due to be sentenced for stealing an empty bus in St. Paul, Minnesota, but was a no-show in court.

Cops spotted him in a stolen car at a petrol station in Hastings, where he tried to flee before ploughing into a deputy's squad car, causing "substantial damages", according to charging documents.

Brose then sped down a nearby highway at 100mph as several deputies followed.

The stolen car was later recovered in Roseville, where Brose was also taken into custody, police said.

Prosecutors said in January that Brose was being investigated for two other bus thefts, suspicion of burglary and auto theft.

Brose (above) was charged with receiving stolen property, fleeing police and damaging a public safety vehicle in the latest incident.

Faking hell, pets' genital cover-up notice is pants!

PET owners were told to cover up their pet's GENITALS with PANTS in an official-looking letter posted on popular dog-walking routes.

But the notice is a FAKE!

The letter says a citizen expressed her concern at a meeting of the council in Auburn, New York, over having to discuss canine or feline genitals when their children ask about them.

The letter goes on to say veterinarians are also concerned about the damage extreme weather can do to animals with exposed genitals.

But the letter has been confirmed as fake by a spokesperson for the city, who says it should be completely disregarded.

The writer of the letter had even forged Mayor Michael Quinn's signature.

Sydney's GRANDPARENTS pay tribute to Euphoria star...

THE BEST TITS IN HOLLYWOOD!

PICTURE SPECIAL

By JAYNE FERGUSON

news@sundaysport.co.uk

SYDNEY Sweeney has the best tits in Hollywood.

Not our words... those of her GRANDPARENTS! Sydney, who plays Cassie Howard in the hit HBO Max series *Euphoria*, admitted on *The Ellen DeGeneres Show* that she forgot about her nude scenes when she invited her grandparents to the Season 2 premiere.

But their reaction to seeing her in the flesh was a shocker.

"I invited my entire family and I didn't really think about [the nudity]," Sydney, 24, revealed.

"I was like, 'It's a Hollywood premiere! You've got to come!' We were all sitting next to each other."

She was hit with embarrassment, saying she was "on the floor" and "wasn't thinking" because she was so excited.

However, her grandparents didn't flinch on seeing their granddaughter nude on the big screen.

"They said I have the best tits in Hollywood," Sydney recalled.

THE WORLD FAMOUS AGONY Page

Dear Dani,

MY pub pool team is breaking up and I'm worried that I'll lose touch with one of my star players, who just happens to be a blonde stunna with a gorgeous arse.

She is a borderline nymphomaniac and had regularly been letting me pot her in both holes after our matches.

The problem is that I'm married and the missus is getting suspicious.

I've had to keep my cue in my trousers and rarely get the chance to play with my balls.

What can I do?

PT, Manchester

Dani says...

TRY chalking up a few shags with the missus instead.

Dear Dani,

I'M a 58-year-old fella and I live in a block of flats where my neighbours are mostly middle-aged divorced women.

Two of them are really fit and last week the three of us decided to have a couple of ciders at my place.

One thing led to another and I ended up mounting one from behind as I played with the other one, before then swapping over.

Then I climbed on one in the missionary position and gave her a proper ride, before doing the same with her pal.

Now one of my lovers has suggested they both move into my flat.

It's tempting, from the sex angle, but I like being free and single.

What do you think?

FG, email

Dani says...

WHATEVER you decide, just keep bonking – it will keep you all young and fit!

Hotel job brings me lots of sex and tips!

Dear Dani,

I'VE been working as a porter for some time in a big city hotel and my pals are always taking the piss out of me.

But I love my job, and here's the reason why.

In my first week I shagged a gorgeous American visitor whose bags I took up to her room.

She told me to close the door and then asked if I found her attractive.

I said yes and she led me to the bed, undressed and told me to take her from behind.

So there I was, at work, with my cock sliding in and out of her, while my mates were working

and not having anywhere near as much fun!

After we'd finished, she gave me a £50 tip and told me there was more if I 'looked after her' during her stay.

I've had quite a few guests since and I'm not only coining it in but getting more shags and blowjobs than you can shake a stick at.

I was thinking about looking for another job, but I'd miss the sex and tips!

What shall I do?

DE, Birmingham

Dani says...

IT'S a no-brainer. Stay put and carry on shagging!

AGONY IS BROUGHT TO YOU IN ASSOCIATION

WELCOME to the World famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice – or experience – than our own Agony Angels! This week DANI MAYE has been reading through your letters. And here's her advice for you...

Horny babe helped me get back in sex saddle

Dear Dani,

I'M a 48-year-old businessman and I've lived on my own since my missus left me two years ago.

I'm not a bad looker and I keep myself reasonably fit at the gym.

But obviously two years is a long time to go without any sex – and a man can only have so many wanks in a day before feeling the need for some proper physical contact.

So I stopped feeling sorry for myself and decided to do something about it.

I had a plan and started revisiting all my old haunts in the hunt for totty. Amazingly, I soon met a gorgeous girl in her late 30s in a bar I used to go to and we hit it off straight away. After a few drinks she

began blatantly rubbing her hand up and down my leg and I was shocked to discover how forward girls have become since I've been off the social scene.

Not that I was complaining. She made it plain she was up for it, so I wasted no time in asking her back to my place.

She had her hands all over me in the taxi, feeling the bulge in my trousers, and I couldn't wait to get her inside.

Munching

She wasn't interested in any kind of small talk and I had barely closed the door behind us when she locked lips and began snogging me.

She was a great kisser too, as she took my tongue, enfolded it in hers and sucked for all she was worth.

I couldn't wait any longer. I managed to disentangle myself and led her to my bedroom, where she tore off my clothes

and began munching greedily on my prick.

Within a few minutes we were shagging each other silly and I managed to keep going for quite a while.

We ended up doing each other in every position I've ever seen in sex manuals and in my massive collection of porn DVDs.

The problem is that I'm not as flexible as I was and ended up pulling a muscle, which has temporarily put me out of any bedroom action.

I'm worried that I might lose the little minx if I can't keep up with her.

What do you think?

JS, Merseyside

Dani says...

GET yourself as fit as possible as quickly as possible. She sounds too good to lose.

Fiance's 'no anal, no wedding' shock

Dear Dani,

MY fiance has just told me that he doesn't love me any more – just two weeks before our wedding.

I'm absolutely devastated. I never saw this coming and I thought that everything was going great until the other night.

Then, when we were in bed having a good time, he asked me to get on my hands and knees for doggy-style sex.

No problem there. We've done this loads of times and I quite like it – but this time he asked to put his pinkie into my booty!

I was really shocked, and I have to admit a little disgusted too, and I let him know I wasn't up for it.

Horrible

He was in a bit of a mood after that and he even said a few horrible things to me before we went to sleep without kissing each other goodnight.

The next morning when I woke up he was not in bed with me and there was no sign of him anywhere in the house.

And there was another shock waiting for me when I got downstairs.

He had left a note on the kitchen table saying if I wasn't prepared to let him have anal sex in the future, then he doesn't want to marry me.

What should I do?

LB, Essex

Dani says...

IF he's that much of a prat, you're better off without him.

Dear Dani,

I'M a 19-year-old fella who is going out with a gorgeous girl the same age as me.

She is 5ft 9ins and athletic, with a really great body.

The trouble is she won't let me shag her because she says my cock is way too big. It's 11 inches on the bonk.

Anyway, last week she invited me to stay over at her place.

Well, it's not hers, she still lives with her mum and dad, so though I hoped she might relent, I didn't expect to get the chance to give her one.

I was lying awake in the small hours in the spare bedroom, playing with my cock, when the door inched open and someone crept in.

The next thing I know I felt a pair of lips wrap around my stiff meat.

I was just about to blow my load when she twisted round and pushed her sopping wet pussy on my dick, taking every inch inside her.

I was in heaven as she rode me and I soon came inside her.

When the bedside light got switched on, it was my girlfriend's mum!

I've boned her a few times since but I wonder how my girl would feel if she found out.

What do you think?

AJ, south Wales

Dani says...

NOT too pleased, I reckon.

#HOT'N'HORN VIS

MEGA-boobed Marina Visconti has a secret fetish she has never told another living soul about before...

She is obsessed with the fantasy of being taken from behind by a woman wearing a huge strap-on.

The 34E beauty, from Leeds, has had plenty of sexual experiences with other women but it has always been just using hands and mouths.

Now she is desperate to get shagged hard by a female wearing a big nine-inch dildo.

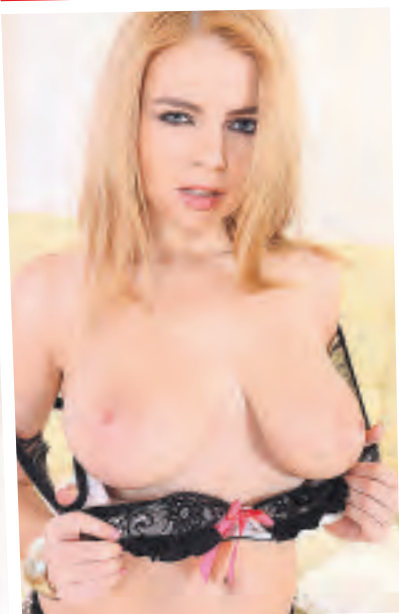

She said: "I have this fantasy where a beautiful petite brunette treats me really roughly, like I am her sex slave."

"And she bends me over and starts shagging me with a strap-on."

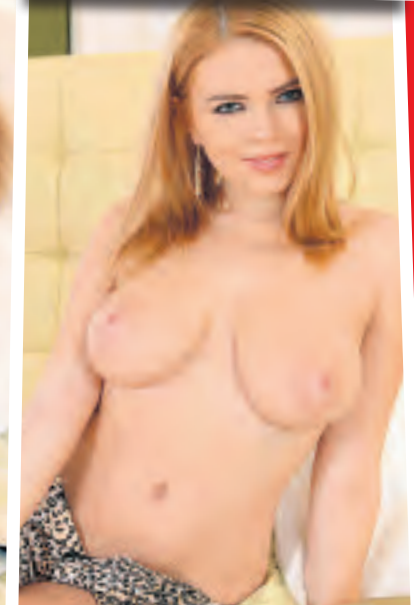

"In my fantasies the fake cock is huge - like the girth of a coke can and nine inches long."

"I'd love for my dream to come true one day!"

IT'S finally time to say goodbye to the creepy Crawleys of Downton Abbey and hello to the horny hotties of buxom Bottomley Manor!

For all you red-blooded fellas who love your porn but are bored to tears by dull *Downton Abbey* this is your lucky day.

Released last week, the UK's most highly anticipated adult movie is available exclusively through the *Sport's* adult partner *Private Shops* and, for a limited time they're offering readers another £5 OFF the already low, low price.

Down On Abby is a big budget, full length adult masterpiece starring porn legend Ben Dover and a cast of the hottest adult stars around. It will transport you to Bottomley Manor, home to the Lord Grabhem (played by Ben Dover), his wife (and 2014 AVN nominee) Jasmine Jae, and their two young promiscuous step-daughters, Abby and Fanny.

The Grabhems have invited the Stiffies to dinner and their staff, led by butler Smallc*** and footman Master Bates, hurriedly prepare to receive their honoured guests.

But during preparations some members of staff have their own ideas of how to make the night go with a bang! As dinner approaches it seems everyone's got more than fancy nosh on their minds. Mind you, there is plenty of noshing as well as lots of other filth that will even cause a crease in Carson's keks.

We see plenty of R18 DVDs at the *Sport* but this one is really something special and one you MUST not miss!

This future classic stars Ava Dalush as Missy, Cathy Heaven as Lucy, Emma Leigh as Betty, Jasmine Jae as Lady Wanda Grabhem, Jasmine James as Fanny Grabhem, Jess West as Lady Stiffie, Lexi Lowe as Abby Grabhem, Ben Dover as Lord Will Grabhem, Big Bad Dave as Smithers and Clarke Kent as Master Bates.

BABE OF THE DAY

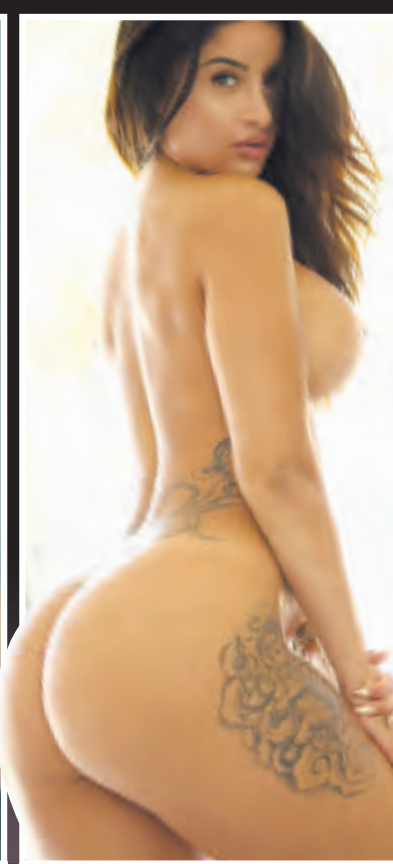

PERT Katy Rose proves that a mouthful is big enough! And the pretty brunette has quickly become one of the stars of TelevisionX. Watch the 32B-24-32 Czech babe in action at the new TelevisionX catch-up app

SHOW ME THE HONEY!

WELCOME to the interactive *Midweek Sport* – where YOU get to choose the stunnas appearing on these pages!

That's right fellas, we publish sexy snaps of the babes you most want to see – TOPLESS or even NAKED.

Every Wednesday, *Show Me The Honey* features the cute curves of the glamour girls you're clamouring for. This service – UNIQUE to British newspapers – is totally FREE!

All you have to do is drop us an email to request @sundaysport.co.uk telling us why you want to see your favourite girl, then sit back and let us do the rest.

SAMANTHA JESSUP

BINMAN Corey Noble spotted an old pic of Sam Jessup while emptying the bins – and he's been hooked on her ever since.

The 33-year-old, from Croydon, was on his rounds when he saw a topless beauty sticking out of the trash.

He picked up Sam, from Brighton, from a bin and he's been entranced by her 32Cs since then.

Corey said: "I saw a pair of boobs in one person's bin and took it out."

"It was Sam. She's stunning, but I want another picture to stare at – please could I see one?"

DEBRA TURPIN

BETTING shop manager Gavin Holliday knows where he'd put his money if he had to bet on the best boobs.

Gavin, 63, from Swansea, reckons there's no one out there who can match Debra Turpin's 36B sweater stretchers.

He doesn't only think Debra, from Liverpool, has the best boobs in the UK but the best rack in the world.

Gavin said: "If they did an award for the most perfect boobs in the world, I'd happily put a grand on Debra nabbing the gong."

**KIRA QUEEN**

ELECTRICIAN Ian Warner begged us for a picture of his fave glamour girl, Kira Queen.

The 43-year-old, from Stockport, Gtr Manchester, sent us an email asking for a busty picture of Kira.

It's easy to see why Ian has the hots for the Russian-born beauty from Cheam, sw London.

He said: "She's so fit. I love a good boob and Kira's 34Ds are the perfect handful."

"I'd love to cop a good feel!"

Haven't seen your favourite model for a while? Drop us a note and we'll put her in the paper! Email request@sundaysport.co.uk

DIONNE Warwick famously sang *Do You Know The Way To San Jose?* but until now we'd had no good reason to go to the Californian city.
Now we do!
Gorgeous Satinee Capona is a native of the major technology hub and she'd be well worth travelling to see.

Impressive

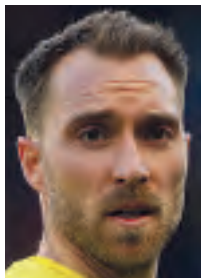

And despite San Jose being the capital of Silicon Valley, there's not a scrap of silicone in Satinee's impressive 34G busters.
The 28-year-old said: "I've got a load of fans in the UK and, as it happens, I have a great aunt who lives in Sittingbourne, Kent."
Lucky Yank telly fans get to see a lot of Satinee in the reality TV show *Bad Girls Club: Social Disruption*.

INSPIRATION: Eriksen

Frank hopes buzzing star Eriksen will stay at Bees

BRENTFORD boss Thomas Frank wants to keep Christian Eriksen at the club – but knows it will be tough.

The Dane has looked as good as ever playing for the Bees in the Premier League in recent weeks.

He seemed to have regained full fitness after his horrific cardiac arrest while playing for Denmark at last summer's Euros.

He has a mini defibrillator fitted under his chest in case there are any other issues with his heart.

Eriksen is only 30 so has plenty of time left at the highest level.

Former club Spurs and Manchester United are thought to be interested in a move.

He will be a free agent in the summer so can move for nothing.

Antonio Conte is very keen to bring him across London.

But fellow Dane Frank hopes Eriksen is enjoying his football so much at Brentford that he decides to end his career with the club.

He said: "I think it's no secret that I want him to continue next season."

"I know Christian is enjoying his football and really enjoying being back."

"I know I will have to answer these questions until the end of the season, so let's see what will happen."

"To be fair, I know Christian quite well and one thing he's good at is just enjoying the moment."

Eriksen starred as Brentford pulled off an amazing 4-1 derby win at Chelsea last week.

He hit the target for his third goal in as many days after bagging a double on his return to action for Denmark.

Frank added: "Christian is a top player, an unbelievable character and he brings quality and calmness to the team."

"You can give it to Christian and he'll always find a solution."

"He didn't have an injury like an ACL and when he took that decision that he wanted to play in the World Cup, that determination was there and his foundation was good."

"We never knew how quick it would take to get to this level but it's impressive how quick."

Mo ready to sign four-year deal on £400,000 a week at Anfield

LIVERPOOL and Mo Salah have met in the middle to secure his new contract.

The Reds were thought to be initially offering around £300,000 to keep the Premier League's top scorer at the club.

Salah's people wanted half a million to sign – but they look set to shake hands on £400,000 a week.

That is still a huge figure – but it won't blow Liverpool's wage structure apart.

Expires

And, importantly, it will be a four-year deal for a player that turns 30 before the end of the season.

It's the best news for Liverpool fans who have been worried about Salah leaving Anfield this summer before his current deal expires at the end of next season. And Kop boss

By PAUL THOMAS

Jurgen Klopp is delighted that it looks like his No1 attacker will be staying.

The German said: "I'm happy with it because there's nothing new to say – that's good. The decisive parties are talking to each other and that's all I need."

Salah has made no secret that he is happy at Liverpool and wants to stay at Anfield for the rest of his career.

The Egyptian said: "If you ask me, I would love to stay until the last day of my football career, but I can't say much about that – it's not in my hands."

"It depends on what the club want, not on me."

I can't see myself ever playing against Liverpool. That would make me sad. It's hard, I don't want to talk

about it, but it would make me really sad.

"At the moment I don't see myself playing against Liverpool but let's see what will happen in the future."

Salah has hit 20 Premier League goals this season but he has had a few issues hitting the target for club and country in recent weeks.

He had the heartache of missing the crucial penalty that saw Egypt miss out on the World Cup finals last week.

Performance

Klopp isn't concerned about that and is happy with Salah's overall form as the season clicks into squeaky bum time.

The Anfield manager said: "For me, the performance level is important, how he brings players together."

"It's a tough period for Mo, coming back from international duty and

being available again. We see him every day – there is nothing to worry about."

Liverpool legend Jamie Carragher believes it's great news for his old club if they can tie down Salah.

He reckons it's neck and neck between him and Paris St Germain forward Kylian Mbappe for the accolade of best player on the planet at the moment.

Carra said: "I think the toss-up for me would be between Mohamed Salah and Kylian Mbappe for the best in the world."

"They would be the two who would split people now in the way Messi and Ronaldo have split people for so many years."

"But I think the season Salah is having, and the numbers he's got compared to anyone else in the Premier League, which is the best league in the world right now, just shows how really far ahead of

LANDS TO STAY AT LIVERPOOL

COMMON SIGHT: Salah and Firmino celebrate another Liverpool goal

everybody else in the Premier League he is."

It's not just Salah who is coming close to the end of their contract at Liverpool.

Sadio Mane and Roberto Firmino are both ending their deals at the end of next season.

It's not clear how talks are going and whether Liverpool want to extend their contracts – or sell them on this summer.

Milestone

Klopp has made a clear move to bring in more – and younger – attackers with Diogo Jota and Luis Diaz bedding in nicely.

Mane is 30 this week, while Firmino has already passed that milestone.

So any new contracts would likely mean there was no money to be made selling either player in the future.

Both Mane and Firmino would be happy to stay at Liverpool but they could be worth a combined £100m if the club choose to cash in at the end of the season.

That would give Klopp funds to find at least one more high-class attacker to add to Salah, Jota and Diaz.

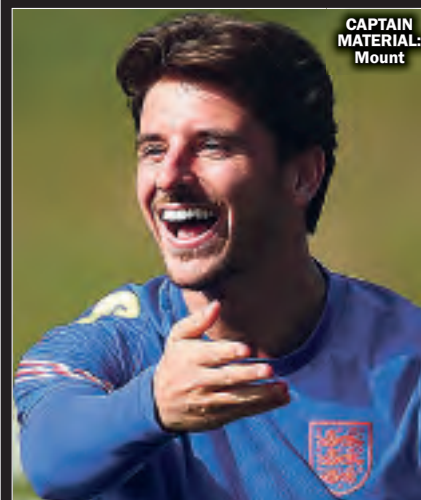

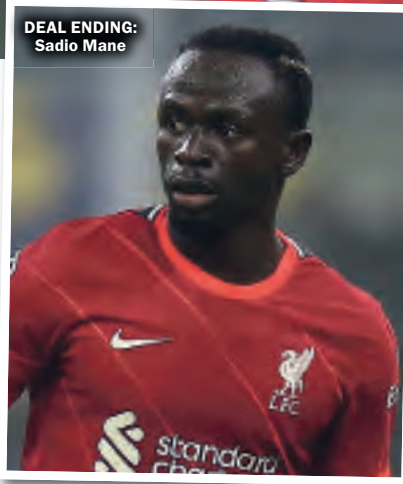

It could even fund a move for someone like Erling Haaland although it hasn't been Liverpool's policy to spend a massive amount on a player in a bidding war.

Ian Wright thinks the Reds should shock the Premier League by making a move for Tottenham's Harry Kane.

He said: "If I had the capability of get Kane and putting him in Liverpool's full side with Salah or Luiz and playing as the number 9, dropping deep and doing his stuff."

"Firmino doesn't score enough goals, he misses too many. Harry Kane doesn't miss those chances."

DEAL ENDING: Sadio Mane

CAPTAIN MATERIAL: Mount

Mase the ace choice as next Blues skipper

By ANDY MILLOM

MASON Mount should be given the Chelsea captain's armband says Stamford Bridge legend John Terry.

JT led the Blues through the most successful period in the club's history and sees the right traits in the young midfielder.

Chelsea are likely to need a new skipper next season with Cesar Azpilicueta looking set for a move to Barcelona.

There are more experienced in options like Thiago Silva and Jorginho available but Terry thinks 23-year-old Mount is the right man – and he could lead the side for a decade.

JT said: "When you're captain, it's important that you're a consistent performer week in week out."

"When you play, you give a solid seven or eight out of ten every week."

Relate

"Azpi does that for the group and he's that example for everyone else to follow."

"I love what he does but I think the progression from that, when he does decide to go, leads itself to Mase for me."

"I think Mase has got the ability to go on and grab the game by the scruff of its neck."

"The Chelsea fans relate to him, he's Chelsea through and through – his family are as well."

"And I would love to see it."

Terry hopes the club makes a summer move

BIG FAN: John Terry

for West Ham midfielder star Declan Rice.

He knows it won't go down well at the London Stadium but he is hoping the Blues' new owner makes a huge summer bid for the England middle man.

Rice was famously rejected by Chelsea as a young player but has more than proved them wrong since.

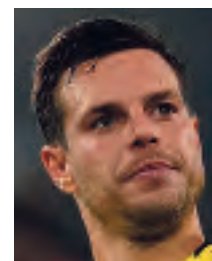

Terry said: "I'll get in trouble here."

"Dec loves Chelsea, I think everyone knows that."

"The rejection he had from Chelsea has really helped his career, actually."

"What he's done at West Ham is pretty much incredible and we saw even in the cup against Kidderminster when he comes on and scores, and grabs the game by the scruff of the neck."

"He's given everything to West Ham and, for me looking in from the outside, he's got a decision to make this summer."

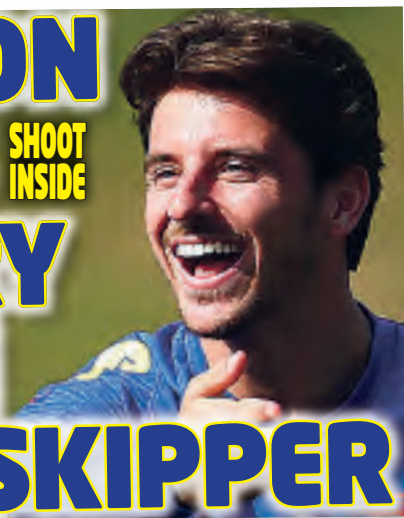

GOING: Azpilicueta

TWO RONNIES AT UNITED

Barca's Araujo a summer target for Reds

MANCHESTER United want to bring a second Ronnie to Old Trafford.

As well as Cristiano Ronaldo, the Reds are lining up a big summer move for Barcelona defender Ronald Araujo.

The 23-year-old has broken into the first team for the Catalan giants and

By JOHN ANTHONY

has earned rave reviews for his performances at centre-back.

But he has yet to sign a long-term deal at the Nou Camp – and United are ready to pounce.

The Reds would love another option to play alongside Raphael Varane with Harry Maguire's form

being so patchy for a few months now.

Uruguay international Araujo is rated highly across Europe but his contract with the La Liga giants expires at the end of next season.

If he shows no signs of penning new deal, Barca will have to sell him this summer or see him leave for nothing in 18 months'

time. Boss Xavi is keen for him to stay but is working on a tighter budget than the likes of United.

With his contract not having long to run, it's thought that £30m could be enough to get him.

That's unless Chelsea come in and start a bidding war as they look for new defenders of their own this summer.
